1. This item hangs from above your door. If over-weighted or incorrectly installed, it may fall causing damage to the hanger and your decor.

2. Falling could also result in serious injury to people or items.

3. Do not hang anything other than garland from the garland hanger.

4. The garland hanger uses high pressure to secure it. Be careful when installing the hanger, especially at pinch points.

5. If a ladder is used, follow the safety instruction on your ladder and position it in a safe place. Always have someone assist you on the ladder for safety.

6. **DO NOT EXCEED 20 lb OF WEIGHT** on the garland hanger.

7. Save these instructions.
